Vaulting to Success!

Coyote Hill prides itself on its ability to truly make dreams realities. Our children experience childhood at its very best; the way God intended it. Two nine-year-olds can attest to this joy. Thanks to generous Christmas gifts, these girls are currently enrolled in weekly gymnastics lessons. They travel to Tiger Academy each Thursday evening for a beginner's class that leaves them eager for more.

One of the enthusiastic nine-year-olds describes why she loves gymnastics, "I love all the stretching we do and I am getting really good! I told my House Mom—Jo Scott—that I want to sign up for more lessons. I decided that six months wasn't long enough for me. Last week we worked on our back walk-overs. It's kind of scary to do, **but I love it!**"

Recreational activities are crucial for growing children. For the summer months, Coyote Hill raises all of its recreational funds through our annual Pancake Breakfast. These funds are used for family outings, summer camps, trips to water parks, and maybe more gymnastics lessons. The breakfast will be held at Memorial Baptist Church again on **Saturday, March 6, 7am — 1pm.** Call Kari at 573-874-0179 or visit www.coyotehill.org for more information.

Help Dreams Become Reality in 2010

For many years, we have dreamed of building additional homes at Coyote Hill, where many more children can have a safe *Place to Be a Child.*

That vision and dream has long been blurred by the day to day reality of finances. However, last year the vision began to sharpen and focus, as the funds to construct Home #4 were finally raised! Eighteen years of ministry experience have taught us that God faithfully provides, especially when we do our part by being responsible. Filling a new home with children and a home parent family will drastically increase our responsibilities. Thus, we are committed to raising one year's worth of living expenses for Home #4 before we begin construction.

Won't you help us? Use the enclosed envelope to make a donation towards making this dream a reality. Better yet, commit to be a **"Parent Partner,"** an individual who agrees to provide a monthly donation to help us meet the day to day expenses involved with caring for our youth and children. Our children depend upon it, *so partner with us today.*

WINTER GAMES AT THE HILL

Even though the 2010 Winter Olympics are now a thing of the past, Vancouver isn't the only place where winter games can be held.

Some of our children know nothing about a luge or a mogul event, but they can tell you all about sledding, snowman building and snowball fighting! We hope you enjoy a glimpse of some Winter Games here at Coyote Hill.

No matter the season,
Coyote Hill is
always a great
Place to Be a Child!

On a Scheduled Maintenance Plan?

At Coyote Hill we are blessed to be surrounded by animals as well as children. This wonderful combination never fails to keep life interesting for us.

Recently, our cat must have decided she needed an oil and lube job, as she managed to get into a five-gallon bucket of engine oil. Our rescue team got right to work. In no time at all, this kitty was clean and her motor was purring like a well-oiled machine! ☺

Memorial and honor gifts must be received by the 15th of the month in order to be included in the next newsletter.
