Wade & Angel Monckton recently volunteered to spend an afternoon with all of us at The Hill. They were not our typical volunteers, as they built a campfire and pulled out an assortment of iron dutch ovens (they have a total of 16!)

The Moncktons enjoy sharing their love of the great outdoors and the old-fashioned art of dutch oven cooking. During their time with us, they helped the children prepare meat lasagna, veggie lasagna, biscuits, dessert burritos, candy bar

cookies & cheese dip - all in dutch ovens, and enough for everyone!

Development Director Kari Salmon said, "I loved seeing everyone having a good time together. I just had to laugh when I heard one of our girls helping with clean-up say, 'Now *THIS is how you're supposed to wash dishes!*'"

The Monckton's also enjoyed the day, saying, "We had a wonderful time meeting all the Home Parents and kids. Even though it was hot, not one of them complained. We loved the excitement of the kids as they helped and their amazement of how great the food tasted. *They are a sweet and loving bunch.*"

Thanks Wade & Angel, for providing us with some yummy, summer fun!

To contact the Moncktons to do a demonstration for your group, email [wmonckto@yahoo.com](mailto:wmonckto@yahoo.com) or call (660)728-3578.

1991-2011

This Month's Blast from the Past

Summer. It conjures up all sorts of memories...baseball, swimming, camping, VBS, vacations, etc. One of the fun, traditional summer-time memories of The Hill is church camp. A camp that Coyote Hill has been sending children and youth to for many years is Mt. Zion Youth Camp. Former Home Parent, Amy Kingery, has one Mt. Zion memory that stands out above many others:

*"One of our young boys that attended Mt. Zion camp decided to sign up for a Preaching Class that was offered. He came home after that week of camp so excited, that he decided to prepare a sermon and share it at his church, Harrisburg Christian Church, with the help of his pastor, John Gillman. Summer camp can be such a wonderful, growing experience for our kids."*

*(Amy's parents, by the way, directed the Mt. Zion camps for nearly 20 years, so she has lots of memories to choose from!)*

Fun at Blue Ridge Christian's VBS

Area churches have always played a large part in our ministry...including our summer activities. As many of you know, the majority of our summer recreation fund is provided through the annual Pancake Breakfast that Memorial Baptist Church hosts. Not only that, but our children are always invited each summer to participate in several different church's VBS programs, church camps, retreats, etc.

Thank you, churches, for 20 years of partnering with us to provide fun & memorable summers for our kids!

Join us at a one-of-a-kind celebration & ribbon cutting for our brand new horse arena, Sunday, July 10th!

We'll start at 2 PM with a ribbon-cutting & honorary presentation for the Overton Family. Afterward, enjoy more fun, including:

- \* Watching kids ride horses
- \* Tours of the arena
- \* Horse Shoe Games
- \* Western-themed Photo Booth
- \* Refreshments & More!

Come anytime and stay as long as you'd like!

Contact Kari (573-874-0179 or [kari@coyotehill.org](mailto:kari@coyotehill.org)) for more info.

The completion of Overton Arena is a huge step forward for our Equine Assisted Psychotherapy (EAP) program.

Now we can conduct these therapy sessions 365 days a year, no matter what the weather. It also allows us to offer EAP sessions for area foster children and families in crisis.

Expanding and developing our ministry...it's all just another part of providing a wonderful

*Place to Be a Child.*
