COYOTE HILL

A Safe Place to Be a Child

Coyote Hill Endowment Fund
Protecting the Heart of the Ministry

THE NEED

Since 1991, Coyote Hill has given hundreds of children "A Safe Place to Be a Child." We provide long term stability for children and sibling groups who have been abused, neglected or are in family crisis. **It is critical that Coyote Hill consistently meets their needs.**

THE SOLUTION

The Endowment Fund can be the tool to sustain and continue the work of Coyote Hill into the future...protecting the heart of our ministry. Through the Coyote Hill Endowment Fund, you can make planned and major gifts, as well as annual contributions. Besides the provision your gift guarantees the children, you will also enjoy substantial tax benefits, potential for income generation, and a way to satisfy your personal and financial goals.
