

# Coyote Hill Christian Children's Home

*Providing a professional, yet traditional family home for abused & neglected children in mid-Missouri since 1991.*

*since 1991*

The goal of planned giving is to help you plan your estate and charitable giving in a way that benefits you, your family and Coyote Hill. If you are considering a planned gift, here are some specifics for you and your attorney:

Long-time supporter and major donor Mark Zimmer once told Coyote Hill's staff:

*"People like me appreciate what you do. We NEED you to do what you do. I know how to make money, but you guys do stuff that I have no skill in. Stuff I couldn't dream of doing. Thus, I use my gift to partner with you and help you do what you do. I have the least part. You are doing the greatest part."*

#### **BENEFICIARY DESIGNATION:**

When you name a charity as a beneficiary to receive your IRA or other retirement assets, the benefits multiply: Neither you, your heirs or your estate will pay income taxes on the distribution of the assets.

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
